

STATEMENT OF FOREIGN MISSIONS MINISTRY FOR KARATE FOR CHRIST INTERNATIONAL

Note: We at Karate for Christ believe you are called to be part of a local church. We also believe that your local Karate for Christ International school is a “home” mission, so we do not promote other United States based missions. We also believe that your support of Asian Missions through Karate for Christ International is in addition to, not instead of, what you do with your local church.

Our International Missions Ministry:

Each person involved in the Martial arts knows of the ties the martial artist has to Asia. As Christian martial artists and members of Karate for Christ International, a natural mission focus for our organization is to reach the Asian Continent with the Gospel. Asia is the most populated and un-reached continent in the world.

Vision: That every community of every country in Asia have a Bible-believing church so that every resident might have a gospel witness and every believer be grounded and settled in the truth.

Purpose: Reach Asia with the Word of God.

Mission: Minister in partnership as ambassadors for Christ throughout Asia that people might be reconciled to God and see the fellowship of the mystery of Christ as revealed in the Word of God.

Strategy: To support Asian Ministries so that we may

- Evangelize the lost through preaching, personal relationships, literature distribution, martial arts classes, and outreach Bible studies.
- Establish churches that are indigenously led, internally supported, and intentionally replicating.
- Educate the faithful with study aids, discipleship, conferences, courses, and seminars.
- Equip and empower ministers with resources, ministry capabilities, and encouragement.

VISION AND CALL TO ACTION FOR ALL MEMBERS

Vision: To see each Karate for Christ School be involved in Local Missions.

Action: By teaching the Children well, and remembering, martial arts without the Word is not ministry.

Vision: To see each Karate for Christ School and Member actively involved in supporting the propagation of the gospel of the Grace of God to the Asian Continent.

Action: By actively supporting one of the following Programs:

The President's Vision for Karate for Christ International

I desire to see our KFCI schools and members ministering to their students, then their city / community, state, nation, and world. When I came on board as President of Karate for Christ International, I was asked by our former President to "cast a new vision" for the organization. I was challenged by the following Scripture "2Ti 3:10 But thou hast fully known my doctrine, manner of life, purpose, faith, longsuffering, charity, patience," I desire for each of you to Know these things of me, as we together press on together in this new phase of the life of Karate for Christ International Ministries.

KFCI has grown by magnanimous proportions over the years. It is my purpose as the President to see the uncommitted become totally committed. Your local ministry is to be well established, and faithful. Beyond that, I desire to see EVERY Karate for Christ International school or member become involved with putting the Gospel into Asia. Wouldn't it be great if we could be part of seeing this happen again: "*Ac 19:10 And this continued by the space of two years; so that all they which dwelt in Asia heard the word of the Lord Jesus, both Jews and Greeks.*" AMEN?
